

Phoenix Gymnastics Academy

Viewing Policy

Parents/guardians are not permitted to enter the gym itself except for Preschool classes where parents are actively encouraged to get involved with classes. We have a waiting area/ cafe for parents to stay during their child's session. We have events through the year where parents are invited into the gymnasium to spectate their child's session.

If you are staying to watch your child participate in their class, please adhere to the following rules:

- No photography/video recording ZERO TOLERANCE.

If you are found to be taking photos or videos you will be asked to delete them and given a verbal warning. On the second instance you will be asked to delete them and leave the building. On the third instance you will be asked to delete them and barred from the club.

- Do not distract participants.

If you are thought to be distracting participants, you will be given a verbal warning. On the second instance you will be asked to leave the building. On the third instance you will be barred from the club.

- Please help us to keep our café and viewing area clean and tidy.

You could volunteer to wipe the tables down, Hoover up, wash the cups or restock the tea and coffee stand.
